

VAL-U-LOK

Assortment, plug housings

This 320-part product range contains the 2- 12-pin push-in sleeve and connector housing from the VAL-U- LOK series, which is plug-in compatible with the Mini Fit series from Molex. These are housings that are used in car hifi and communication areas, among other

things. All the housing and crimp connectors included can be ordered separately if necessary. For this purpose, the article numbers were added to the product range as inlays. The refill packs fit into the respective compartment in the box.

Manufacturer Restriction: TE Connectivity

Temperature range:

-40 to +105 °C
