Original Equipment	Tested product
 A close-up photograph of a metal component, likely a part of a vehicle's suspension or steering system. The component is silver-colored and features a central circular opening with a flange. To the left of the opening, there is a small rectangular plate with the number '9518225' and a small logo. The component is mounted on a larger metal structure.	 A close-up photograph of a metal component, similar to the one in the original equipment. The component is silver-colored and features a central circular opening with a flange. To the left of the opening, there is a small rectangular plate with the number '666.031-2' and a small logo. The component is mounted on a larger metal structure.
