Engine Oil

Dear Ms. Kathleen Adriaenssens,

Analysis of the engine oil

WOLF OFFICIAL TECH C3 SAE 5W-40

has shown that product in question meets the requirements in accordance with VW Standard 511 00. This engine oil is therefore suitable for use in our vehicles with LongLife Service (petrol and diesel engines, including diesel engines with particulate traps without fuel borne catalyst) in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

"approved under VW Standard 511 00"

This approval is only valid for the following production site:

Wolf Oil Corporation N.V., Georges Gilliotstraat 52, 2620 Hemiksem, Belgium

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

Yours sincerely,

I.V.

Dr. Achmus
