Engine Oil

Dear Ms. Kathleen Adriaenssens,

Analysis of the engine oil

CHAMPION OEM SPECIFIC C3 SAE 5W-40

has shown that product in question meets the requirements in accordance with VW Standard 511 00. This engine oil is therefore suitable for use in our vehicles with LongLife Service (petrol and diesel engines, including diesel engines with particulate traps without fuel borne catalyst) in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

"approved under VW Standard 511 00"

Please note that this approval will expire on **08.11.2021** at the same time as the approval given to the reference oil.

Yours sincerely,

i.V.

Dr. Achmus
