## BERAL® OFFERS THE OPTIMAL BALANCE BETWEEN BRAKING PERFORMANCE & DURABILITY.

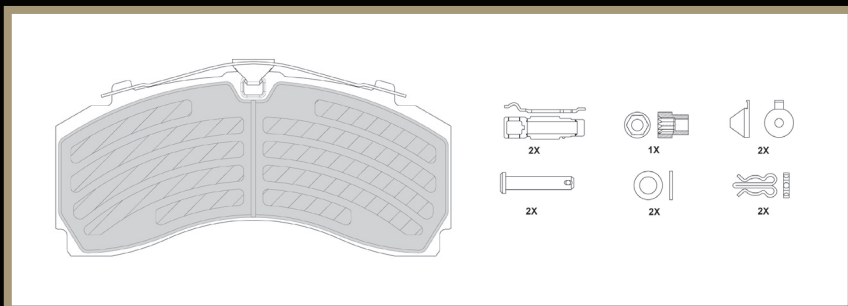

Our R&D team has developed BERAL® brake pads based upon ProTec S® technology by Knorr-Bremse. The pads utilise innovative friction materials, specially designed to meet and exceed different OE requirements of the Mercedes-Benz Actros's front and rear axles.

- Improved performance & service life
- Reduced noise levels
- New coating ensures balanced performance throughout lifespan
- Special attention to prevention of disc cracking

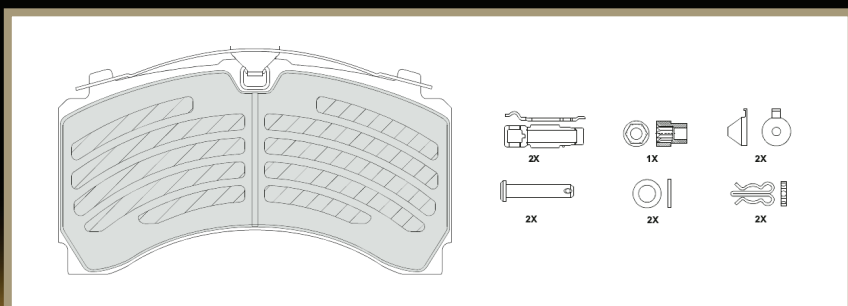

### FRONT AXLE

<b>Caliper:</b>	Knorr SM7
<b>Part Number:</b>	2924635004171113
<b>Friction Material:</b>	MB 7111-0
<b>Description:</b>	4 x disc pads (2 handed pairs) plus fitting kit
<b>WVA:</b>	29246 inner pads / 29247 outer pads
<b>Dimensions:</b>	244.6 x 113.7 x 35mm inner pads / 244.6 x 113.7 x 30mm outer pads

### REAR AXLE

<b>Caliper:</b>	Knorr SL7
<b>Part Number:</b>	2924435004172113
<b>Friction Material:</b>	MB 7211-0
<b>Description:</b>	4 x disc pads (2 handed pairs) plus fitting kit
<b>WVA:</b>	29244 inner pads / 29245 outer pads
<b>Dimensions:</b>	207.6 x 113.7 x 35mm inner pads / 207.6 x 113.7 x 30mm outer pads
