Makes/ Models

Filter Type: Carbon

Mercedes

Viano All models (1/04->)

Mercedes LCV

Vito II All models (9/03->)

Difficulty: Medium
Time (Approx) 20 Mins

1. The filter is located underneath the passenger footwell against the centre console.
2. Remove the cover/upholstery panel lying against the centre console to uncover the filter housing.
3. Slide the cover away to access the cabin filter.
