

## **ERRM2018 / ERRM2077 - Citroen Electronic** **Steering Rack Identification**

Citroen C3 models from 2010-2017 have a choice of two Electronic Steering Racks. In order to identify the correct Steering Rack, you will need to look at the original connectors on the original Rack.

ERRM2018 is equipped with 1 Plug connector (Blue Arrow) and 2 Spade connectors (Red Arrows) as below.

ERRM2077 is equipped with 2 Plug connectors (Blue Arrows) and 1 Spade connector as below (Red Arrows).

We have included this detail on the online catalogues, if you require any further assistance please contact the Shaftec Technical team: 0844 257 1818
