

Complete solutions from one source

- High quality and reliability

If we follow the trend, we know that more than half of all motor vehicles are now equipped with a timing chain drive system. With the complete kits from **iwis** for timing chain drives, we offer a high-quality solution with simple assembly and optimally matched components for a wide range of vehicle applications. Rely on the complete solution in OEM quality and avoid cost-

The advantages that our timing chain sets offer are quite simple:

- » High quality and reliable timing chain sets "Made in Germany"
- » All components from one source in original **iwis quality** and in **iwis box**
- » All necessary sealing materials and additional components are included and offer quality and installation safety
- » Avoidance of cost-intensive consequential damage
- » Long service life
- » Patented TRITAN coating on the timing chain pins

In cooperation with iwis we offer everything you need for a quick and smooth installation

- » Timing chains
- » Mechanical and hydraulic clamps
- » Clamping and sliding rails
- » Seals
- » Sprockets
- » Ready-to-install timing chain complete sets
- » Continuous program expansion
- » Guaranteed availability
